02

Revenue Opportunities

With Restrora, you don't just sell software—you build long-term client relationships.

- Subscription-based recurring income
- Add-on feature upselling
- Customization & service charges
- Implementation & training fees
- Multi-location client expansion

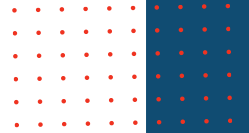

Why Restrora Stands Out

Most solutions focus on one part of restaurant operations.

Restrora connects everything—POS, kitchen, inventory, customers, online orders, and analytics—into one intelligent platform.

This makes it easier for you to sell, and more valuable for your clients to adopt.

Innovate
Build. Scale.

Thank You
